"Nobody provides better customer service. Nobody."

– Wes Staley, Owner

Customer Service Excellence

The Crane Guys is committed to Customer Service. Starting with the first call, we go above and beyond to ensure each and every customer is getting efficient, reliable and expert service on every job. Our sales team provides quotes, job walks and project coordination with our dispatch department. Our cranes, equipment and qualified operators and rigging personnel are available 24/7 to achieve success on every job. We also have a certified 3D Lift Plan department for expert lift planning. From the beginning to completion of each job, our team has the experience and resources to meet your needs and provide you with a quality experience every time.

SAFETY IS PRIORITY ONE

Safety Program and Management

The Crane Guys have worked with some of the most stringent companies in some of the most demanding industries. We have integrated the best safety standards and practices into our own in-house safety program which conducts continuous classroom and practical training. Our full time Safety Director with CHST and OHST certifications is dedicated to safety and risk management with a simple philosophy — *Zero Accidents is the Only Goal.*
